We would like to take this opportunity to answer questions on required information for your yearly establishment renewal application. The original checklists for each establishment type can be found on the [medical cannabis website](#).

44:90:03:02. Certificate renewal -- Application. A renewal application for a registration certificate:

- (1) Is required every 12 months from date of issuance; and
- (2) **Must include all components of an initial application**, except that a detailed description of any changes to operating procedures, or a certification that no such changes exist, may be substituted for a complete set of operating procedures.
